

Huron Consulting Group redefines the traditional consulting experience by offering the highest quality services from top industry professionals in the healthcare, education, legal and business sectors. With a deep understanding of the complex challenges that companies face in the overall business landscape and in a specific industry, Huron provides clients relevant, measurable and sustainable solutions to address their business issues.

Huron Consulting Group helps clients in diverse industries improve performance, comply with complex regulations, reduce costs, recover from distress, leverage technology, and stimulate growth. The Company teams with its clients to deliver sustainable and measurable results. Huron provides services to a wide variety of both financially sound and distressed organizations, including healthcare organizations, Fortune 500 companies, leading academic institutions, medium-sized businesses, and the law firms that represent these various organizations. Huron's range of services includes:

HEALTH AND EDUCATION CONSULTING

This segment provides consulting services to hospitals, health systems, physicians, managed care organizations, academic medical centers, colleges, universities, and pharmaceutical and medical device manufacturers. Huron Education and Huron Life Sciences professionals develop and implement consulting and software solutions to help clients address financial management, strategy, operational and organizational effectiveness, research administration, and regulatory compliance. Huron Healthcare partners with clients to provide comprehensive performance improvement solutions that improve quality, increase revenue, reduce expenses, and increase physician, patient, and employee satisfaction across the healthcare enterprise.

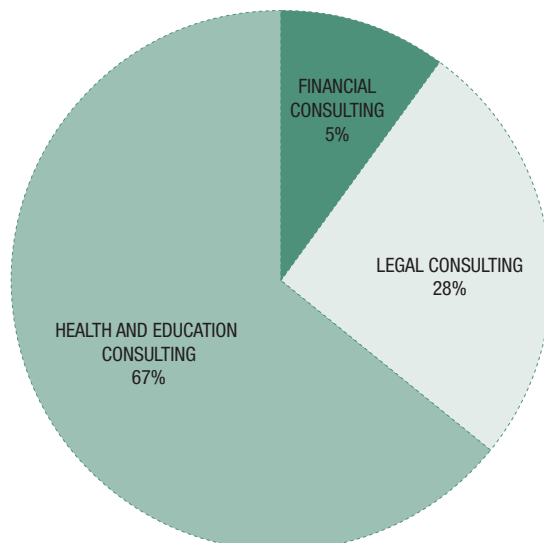

LEGAL CONSULTING

This segment provides advisory and business services to assist law departments and law firms to enhance organizational effectiveness and reduce legal spend. Huron Legal advises on and implements strategy, organizational design and development, outside counsel management, operational efficiency, and discovery solutions, and provides services relating to the management of matters, contracts, documents, records, digital evidence and e-discovery. Learn more about: Huron's IMPACT® solution, which delivers sustainable cost reductions ranging from 15 to 40 percent; R3con® solution, a cost-effective forensic investigation solution to protect enterprise data; Sp3ctrum™ solution, a managed services discovery solution; and V3locity® solution, offering a streamlined e-discovery process that results in predictable discovery costs.

FINANCIAL CONSULTING

This segment assists corporations with complex accounting and financial reporting matters, and provides financial analysis in restructuring and turnaround situations. We have an array of services that are flexible and responsive to event-and transaction-based needs across industries.
